Settle
Stories

A vibrant, cartoon-style illustration of a magical landscape. A purple dragon with yellow and orange flames coming from its mouth flies across a blue sky with white stars and clouds. Below, green rolling hills are dotted with white sheep. In the foreground, a large, open book is shown, with a green landscape scene emerging from its pages. The scene includes a yellow castle with red roofs, a princess in a yellow and pink dress with a crown, and a knight on a brown horse holding a sword. The word "Magic" is written in large, golden, 3D letters with sparkles.
